North Pole Deluxe Flight

- ▶ 2-DAYS ON ICE
- ▶ NO SKI, ALL FLY
- ▶ €16,900* per person ex-Svalbard

North Pole Deluxe takes you to the top of the world in style and comfort. Two jet flights, two helicopter flights and a night at Barneo Ice Camp give you the deluxe version of North Pole travel.

After supplying you with your protective polar clothing we depart Longyearbyen in Spitsbergen (Norway) on the 2.5 hour Antonov-74 jet flight to **Barneo Ice Camp** where you are welcomed by your Ictrek representative. Located at approximately 89.30 degrees north, Barneo is a temporary Russian station that caters for the exclusive band of travelers that visit the North Pole every year. It will be your home for the next two days.

At Barneo you will be escorted to your heated accommodation tent where you can make yourself at home. The tent is expansive and equipped with bunks and mattresses – a warm and comfortable haven.

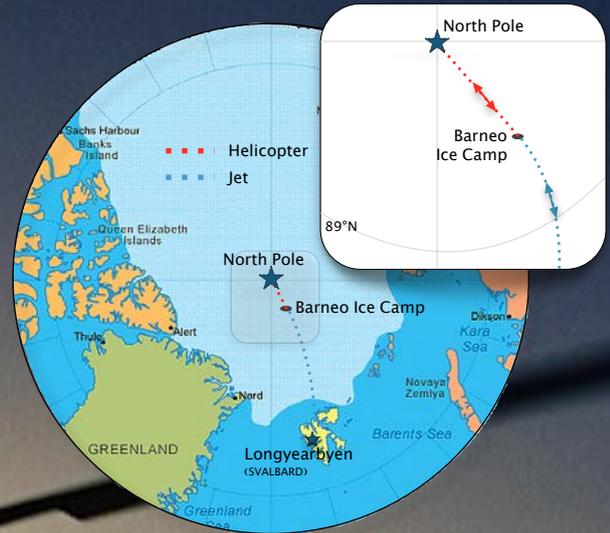

At first opportunity we will fly in the Mi-8 helicopter 40 minutes to the North Pole. To stand at the apex of the Earth is a unique opportunity and you have two hours to soak up the experience. This enigmatic region is like no other on Earth; an ocean where pressured ice and leads of open water dominate the landscape; where the skies are blessed with 24-hour daylight; the point at

which so much exploration history rests. The North Pole has a rich past and your guide will be happy to relate stories of struggle and achievement from centuries of Arctic exploration. Your guide can also take you on a short walk or you can simply spend your time filming and photographing.

We return to Barneo for a celebratory dinner followed by evening of chatting with explorers, scientists, guides and pilots from all over the world. The communal mess tent is the hub of social activities. Music, conversation, lectures and a souvenir shop are all found in this cocoon of warmth.

The following morning you can relax in the comfort of Barneo or go on a local walk with your guide. In the afternoon you board the Antonov for your flight back to Longyearbyen.

North Pole Deluxe Flight; the perfect tour for those short on time but high on adventure.
