

DOWNLOAD STRAIN REDUCER

Take a Load Off!

1

DOWNLOAD consists of three parts - a loop of 8mm shock cord and two Velcro ties.

2

DOWNLOAD can be used as a single or double loop, depending on sled weight. Secure with ties.

3

IN SERIES

Use carabiners or Larks Head knots to connect DOWNLOAD in series to your harness and sled trace.

4

IN PARALLEL

For glacier travel place single or doubled DOWNLOAD in parallel to your trace. Loop one end into hauling carabiner, Larks Head the other end behind an overhand knot on your trace.

5

When DOWNLOAD is not in use, use ties to hold skis or other gear together.
